IDAHO RISING STARS

INTRODUCTION

IDAHO RISING STARS INC. (STARS) is a recognized 501c3 devoted to connecting local student-athletes from grades 4th – 11th to the highest-quality academic, athletic, and life skill development opportunities. Our mission is to "Prepare the Youth" and the goal is to position our future leaders for success in LIFE through sports.

Over the last several years, our programs, visibility, supporters, and participants have continued to grow. We believe with this growth and program development we are now confidently positioned to invite individuals and/or businesses with a passion for student-athlete development to join us on this mission to "Prepare the Youth."

This document was created to inform individuals/businesses on programs, activities, and events we provide; how your support will play a part in our mission, and how you/your business will be recognized.

DONATIONS

PREPARE THE YOUTH

STARS accepts both monetary and in-kind donations. These contribution fund programs such as SAT/ACT preparation, tutoring, events, training, camps, and mentorship programs.

In example, In 2022, Mike Spade, Owner of Ridgeline Drones - the leader in providing quality drones and media solutions donated \$5,000 in equipment, time, and training to support STARS [Link to video in pic.].

Ridgeline's contributions included recorded testimonials from players and event information from coaches.

Ridgeline's staff captured arial footage of our players competing and the tournaments energized enviornment. Most importantly, Ridgeline helped us further fulfil our mission by offering our student athletes hands on videographer and drone training. As a result of their efforts, our student ath videographer team has dramatically improve their videography skills and built over 1000 follower. Ridgeline drones is one of many examples of local business leaders supporting STARS while bringing new visability to their brand and services offered.
